

NFC Academy *online*

See which of the NFC Academy tuition options is best for you. Our NFC Academy Homeschool Edition or the NFC Academy Homeschool Advantage Edition. If you want to be the primary teacher then you may want to consider the Homeschool Edition which is available for 3rd to 7th grades. The Homeschool Advantage Edition is available for all of our online grades from 3rd grade all the way through high school with our certified Academy teachers.

Look over the options for each program and select that which best fits your homeschool option.
