Learn with our friends:

When you see me, I will help your teacher explain the exciting things you are expected to do.

When you do actions with me, you will learn how to write, draw, match words, read, and much more.

You and I will learn about matching words, listening, drawing, and other fun things in your lessons.

GOD'S BEAUTIFUL WORLD

The Bible says (Genesis 1:1),
"In the beginning, God created
the heaven and the earth."

God filled the world
with plants and animals.
Each one has a special place
to live.

Everything God made was good.
Everything was beautiful.
God made it all for you.
He made it because He loves you.

Objectives

1. I can tell about different kinds of land.
2. I can tell about different bodies of water.
3. I can tell about different weather.

I. THE LAND

The place you live is special.
God made it just that way.
He made the plants and animals
That you see every day.

Do you live in a desert?
Or very near the sea?
Are the grasslands home to you?
Or a mountain community?

Men have built the cities
And farms upon the land.
The place you live is special.
It's just what God has planned.

Circle the kind of place where you live.

woodland

desert

grassland

mountains

seashore

Draw your special place to live.

Finish the sentence. Write the sentence in your Tablet.

I live in the

WOODLANDS

"I'm Dorrie Deer.
My home is cool and dark.
I live in the woods.
The trees are tall.
My baby can hide in the bushes.
Can you find him?"

"We are safe in the woods.
Baby deer can hide.
I can run fast."
